

## **Math210 Academic Dishonesty Statement**

I understand that Academic Dishonesty<sup>1</sup> is:

- Cheating - intentionally using or attempting to use unauthorized materials, solution manuals, information, or study aids in any academic exercise; copying from another student's examination; submitting work for an in-class examination that has been prepared in advance; representing material prepared by another as one's own work; violating rules governing administration of examinations; violating any rules relating to academic conduct of a course or program.
- Fabrication - intentional and unauthorized falsification or invention of any data, information, or citation in an academic exercise.
- Plagiarism - intentionally representing the words, ideas, or sequence of ideas of another as one's own in any academic exercise; failure to attribute any of the following: quotations, paraphrases, or borrowed information.
- Facilitating academic dishonesty - intentionally or knowingly helping or attempting to help another to commit an act of academic dishonesty.

I understand that when academic dishonesty is discovered, the faculty member may give the student an F or score of 0 on the work involved and/or in the course. If further disciplinary action is deemed appropriate, the student may be reported to the Dean of Students.
